A QUICK LEARNER'S TUTORIAL FOR THE KINDLE PAPERWHITE

Open our digital library collection using your preferred method (computer website or **Libby App**).

Find the book you would like (make sure it is available in the **Kindle format**).

Select **Borrow**, Select **Open Book**, Select the **Kindle** option which will take you to Amazon.

If you're signed into Amazon, select the device from the **Deliver to:** drop down menu, then select **Get library book**. The book will be sent to your chosen Kindle device.

If you're not already signed into Amazon, select **Get library book**. You will be prompted to sign in. After signing in, a page will open where you can select the device or reading app where you'd like to send the book you borrowed. Select continue and the book will be sent to your chosen device.

Once a book is on your Kindle device or reading app, you can open it from your Kindle Paperwhite.
