

# HOW IT WORKS

All summer you can earn raffle tickets that can then be put towards a prize bundle of your choice. There are four ways to earn raffle tickets:

## 1. SIGN UP

To sign up, ask at the library. You'll receive your first raffle ticket, a free book, and a Bingo card. Fill out the raffle ticket and put it towards a prize bundle.

## 2. GET A "BINGO"

Do five items in a row on your Bingo card - horizontal, vertical, or diagonal. Bring it to the library for a raffle ticket. (See the back of the brochure for more info.)

## 3. GET A GRAB-AND-GO KIT

Pick up a Grab-and-Go kit from the library. Each kit comes with a raffle ticket, and we'll have new kits every two weeks. More details inside!

## 4. ATTEND AN EVENT

See the list of summer events inside this brochure. Earn a raffle ticket for each event you attend! More details inside!

## BINGO CARDS

- 1) Get a Bingo card.
- 2) Complete five squares in a row - vertically, horizontally, or diagonally.
- 3) Bring your card to a librarian for a raffle ticket.
- 4) Put your raffle ticket towards a prize bundle.
- 5) Choose your next adventure step.
  - a. Use the same card and repeat 2 - 4 all summer.
  - b. Get a new Bingo card with different challenges.
  - c. Go for a Blackout.

### WHAT IS A BLACKOUT?

A blackout is when you complete all the items on one Bingo card. If you choose to do this, you will get a raffle ticket for each completed Bingo (12), AND a free book.
